MIGRATION TO TARMS

This is to advise that ZIMRA has migrated from using the BP Numbers.

- BP Numbers have been replaced with Taxpayer Identification Number (TIN)
- the TIN number is supposed to be quoted on all ZIMRA payments including deposits of customs duties into our prepayment account.

Taxpayer Name: Groupair (Pvt) Ltd

TIN: 2000022267

We take note that the transition has not been smooth and some payments have not been promptly received by ZIMRA as they should.

- Our governing body has engaged ZIMRA in that regard and will continue to address the challenges as we go.
- Please do not hesitate to contact us should you face any challenge.
